Professional Experience

Jones House Creative | Lead Designer Lead Developer 06/25 - 09/26

Managed projects from concept to completion, leading client meetings, consultations, and design decisions. Guided team members through projects and trained clients to manage their websites after launch. Designed branding, social media templates, wire frames, and websites, while also developing and implementing website designs.

Jones House Creative | Designer

08/24 - 05/25

Worked with authors and small businesses to create designs and branding. Ran weekly social media trend report.

Jones House Creative | Design Intern

05/24 - 08/24

Lakeshore Christian Fellowship | Design Intern

09/22 - 03/23

Designed graphics and social media content, while also editing podcasts and video content.
